## Fronsac & Canon-Fronsac

### Château de La Rivière 2019

#### Fronsac

On the nose it is elegant and offers power, a stretched side as well as a certain concentration. There are notes of pulpy blackberry and more slightly cassis associated with touches of quite ripe red berries, hints of violet, lily, sweet spices as well as a discreet hint of cardamom and a very discreet hint of Cuben pepper. The palate is fruity, well-balanced, elegant, well "framed" (good structure, precise, well conducted) and offers a tangy structure, good definition, a certain gourmandize, freshness, a good guideline, a good tannic structure as well as a fine, discreetly tight tannic structure. The freshness and brightness of the fruit. The wine expresses notes of juicy / pulpy blackberry, pulpy cassis and more slightly violet associated with touches of cornflower, lily, fresh / juicy blueberry as well as hints of toasted almond, tonka bean. and a subtle hint of sweet spices. Tannins are precise and smooth. A certain sapidity and a nice fruit, oak on the finish / persistence.

Score : 16.25/20 (92-93/100)
